

Global Sourcing Council

Board Members

**Josephine Romero, Trade Representative
Philippine Trade and Investment Center**

**Philippine Consulate General in New York
Founding Member– The Global Sourcing Council**

Josephine focuses on the national priority sectors which would bring the most value and highest number of jobs for Filipinos, such as BPO, electronics manufacturing, food and design-driven exports to the US. Her specific fields of expertise include: business development, strategic planning, policy and market research, Information Technology and IT-enabled services, education services and export-oriented commodities. Before joining government, she worked with technology providers in the Philippines and Asia, including Sun Microsystems where she was Country Manager for Education Services. Josephine holds a B.S. in Economics from the University of the Philippines and an MBA from the Ateneo de Manila University, Philippines.
